Řekni mu,
co má
dělat.

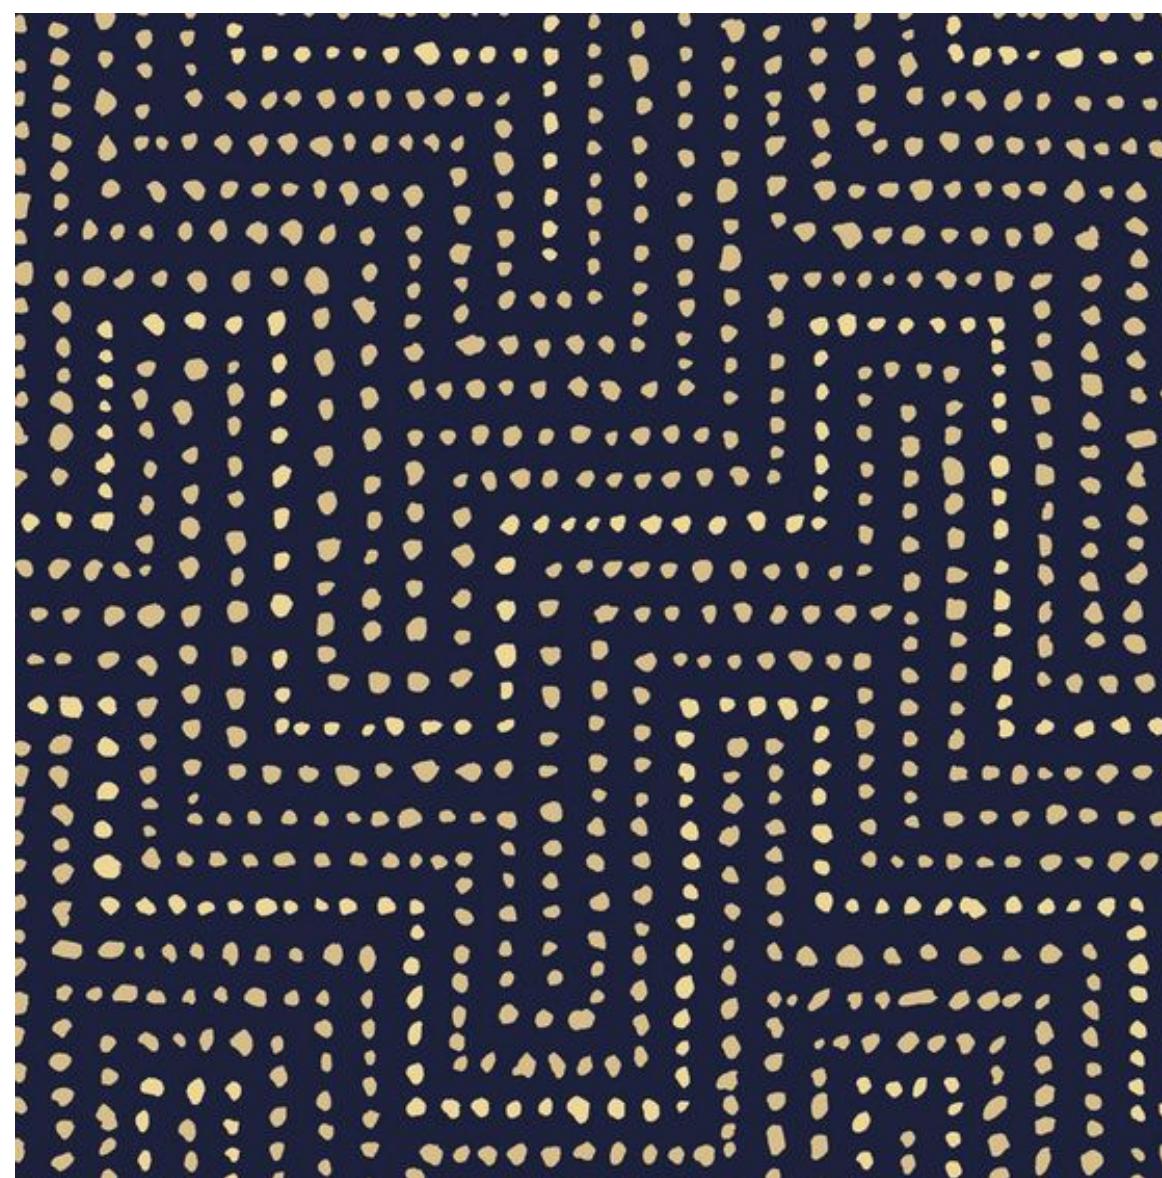

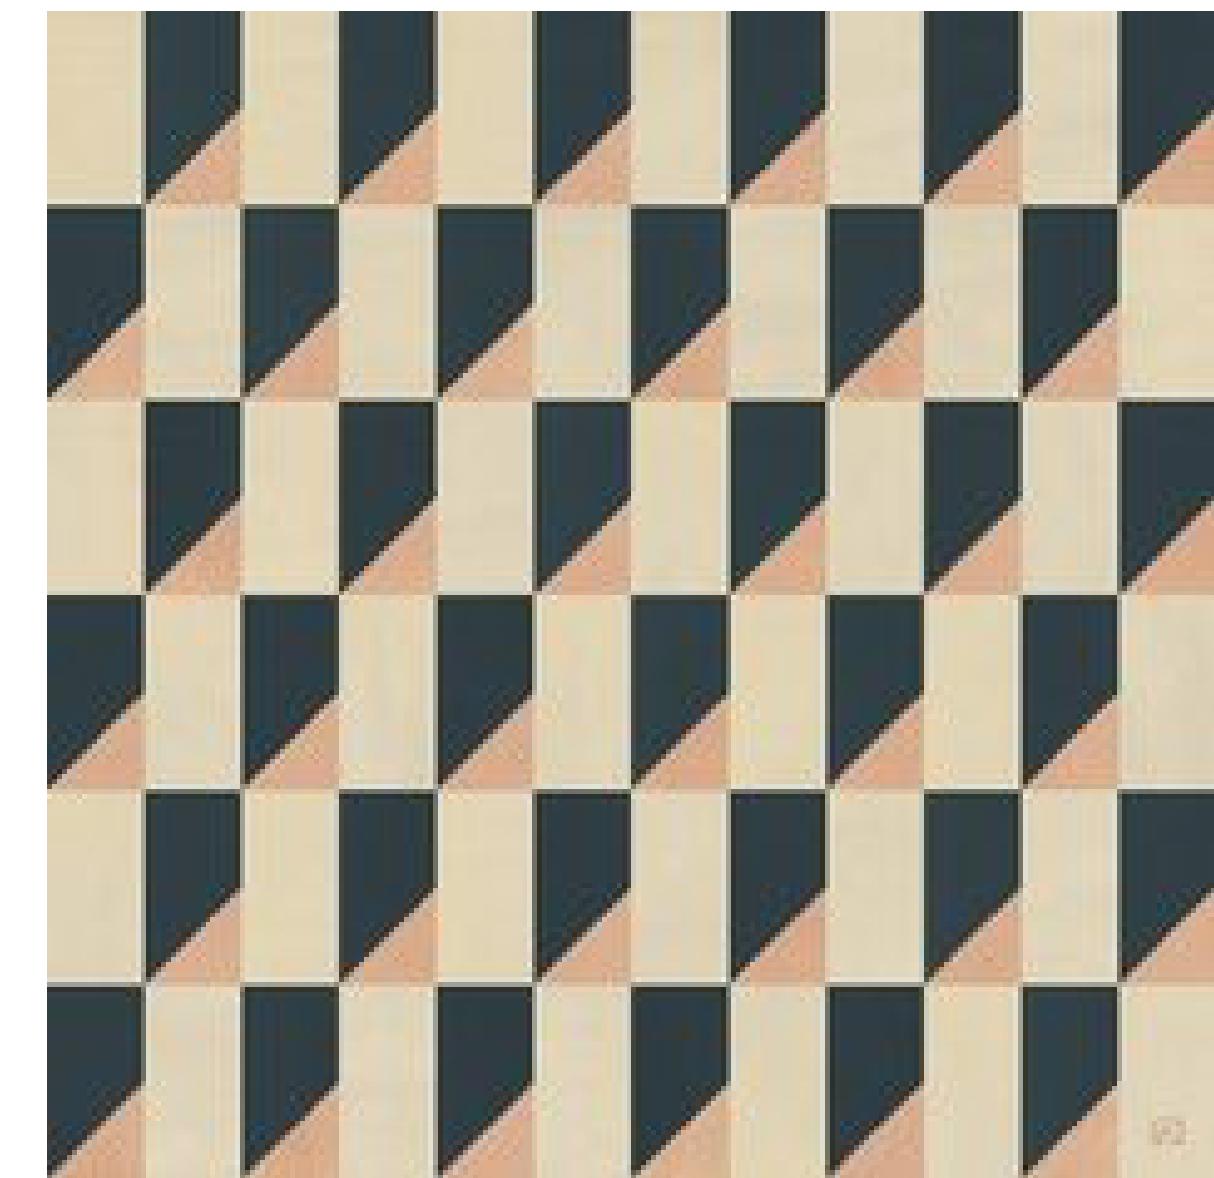

Klidně
trochu
nejasně.

Má rád
náhodu.

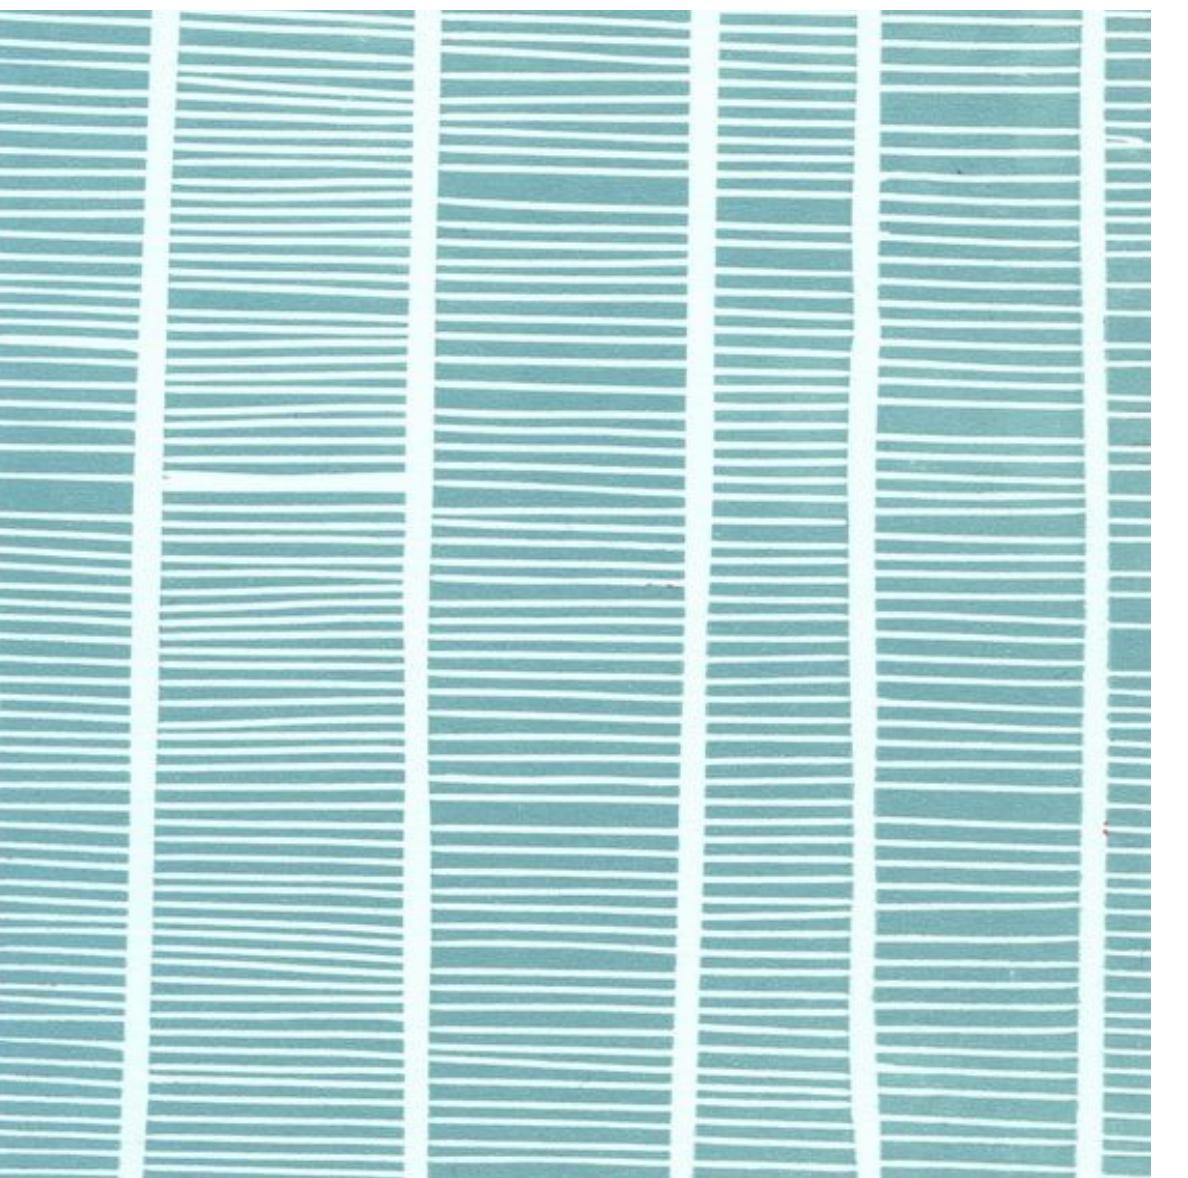

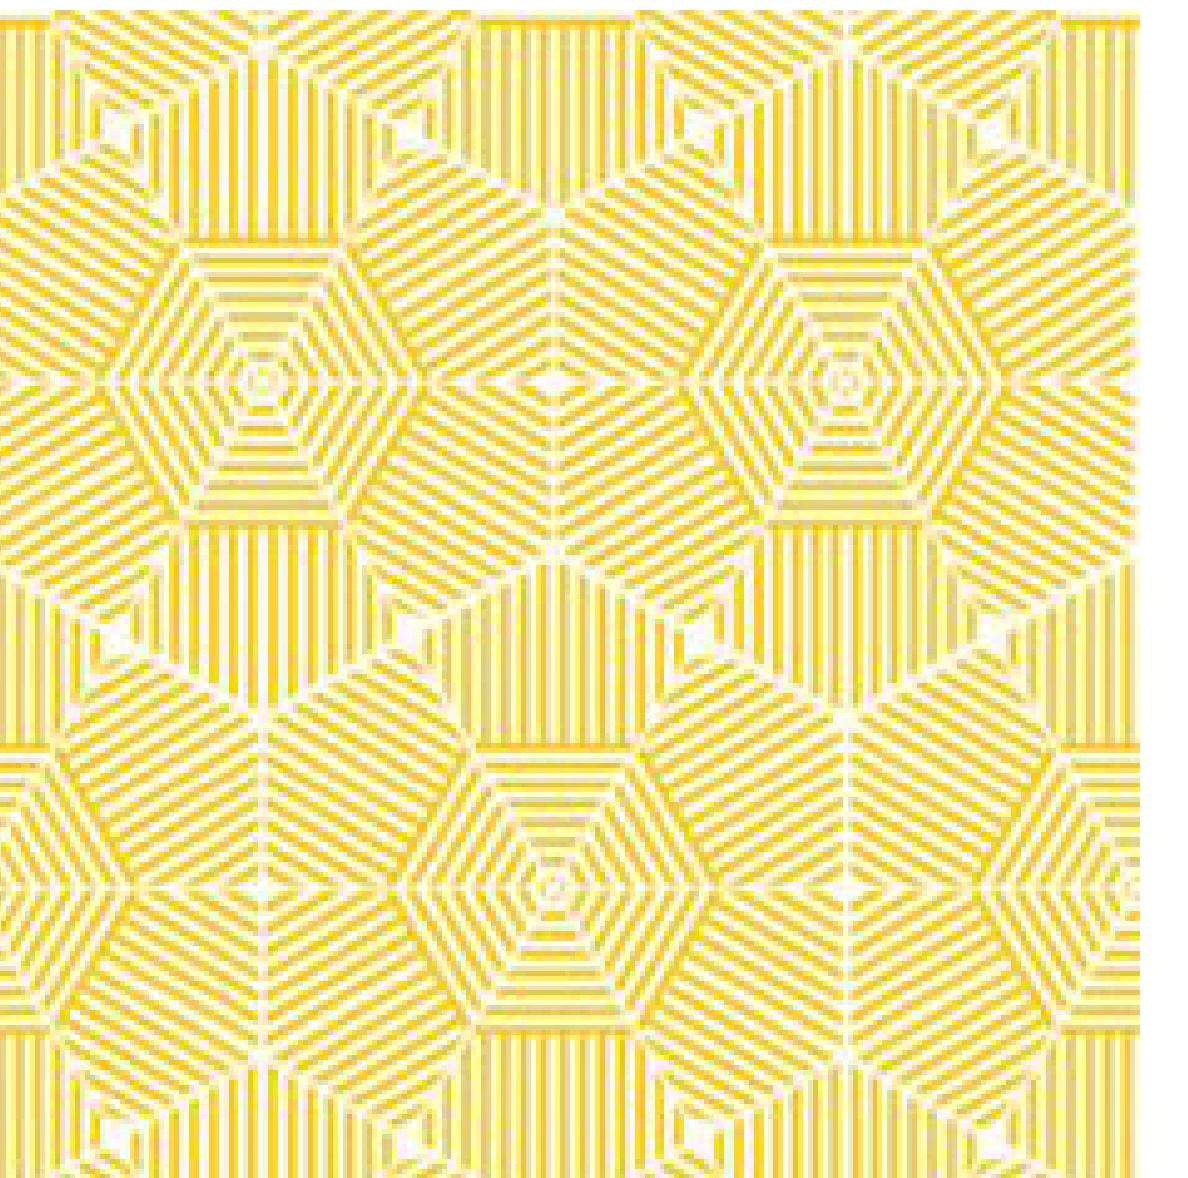

2

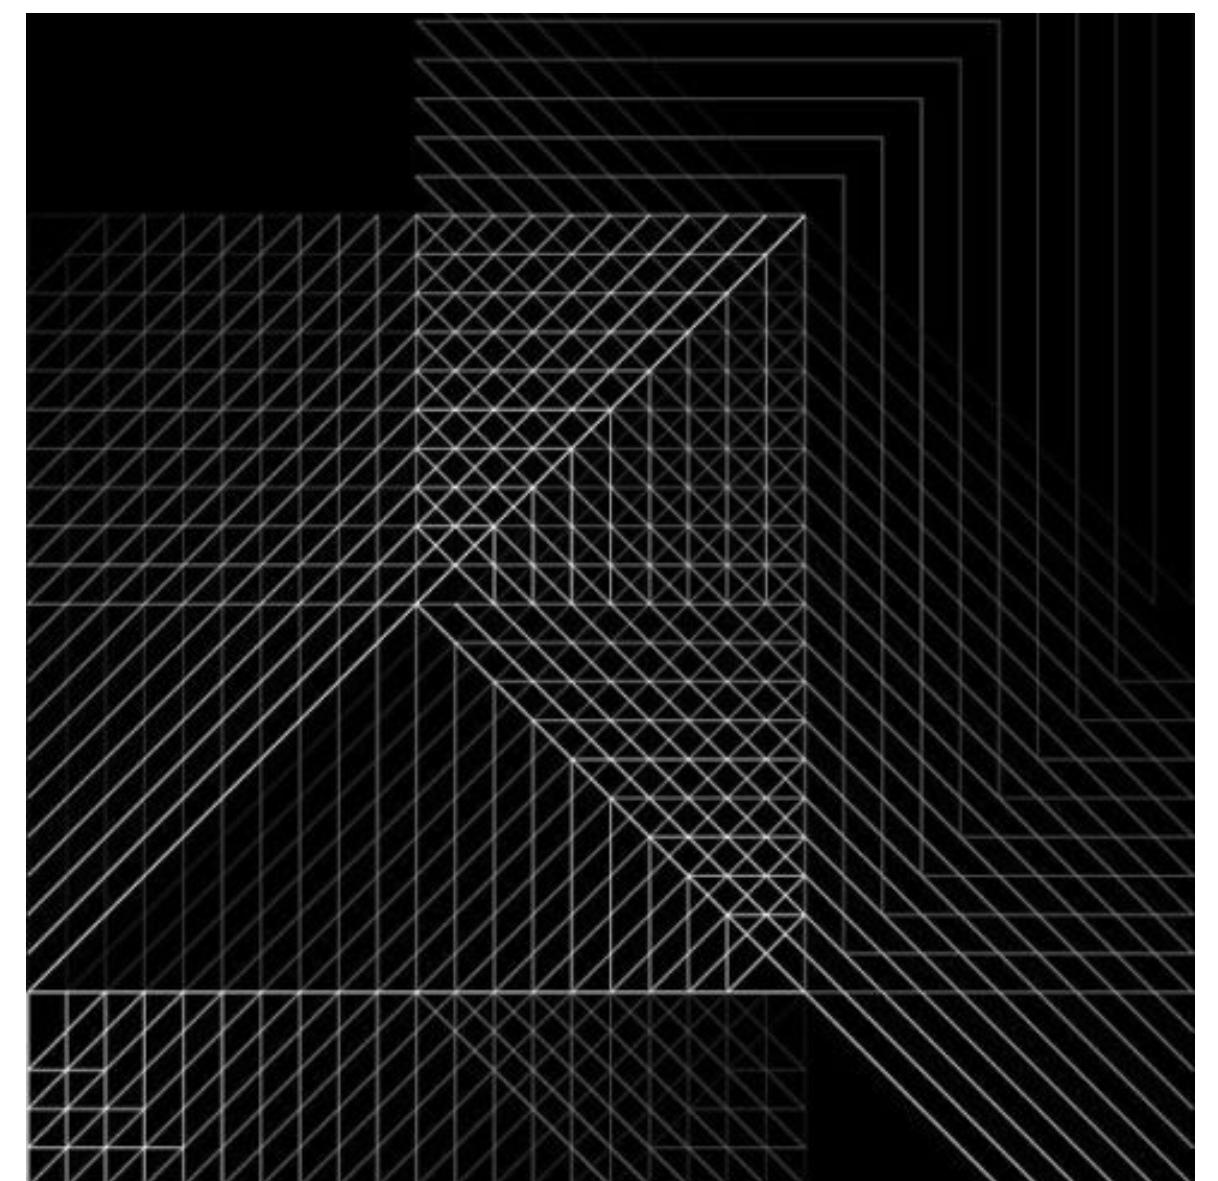

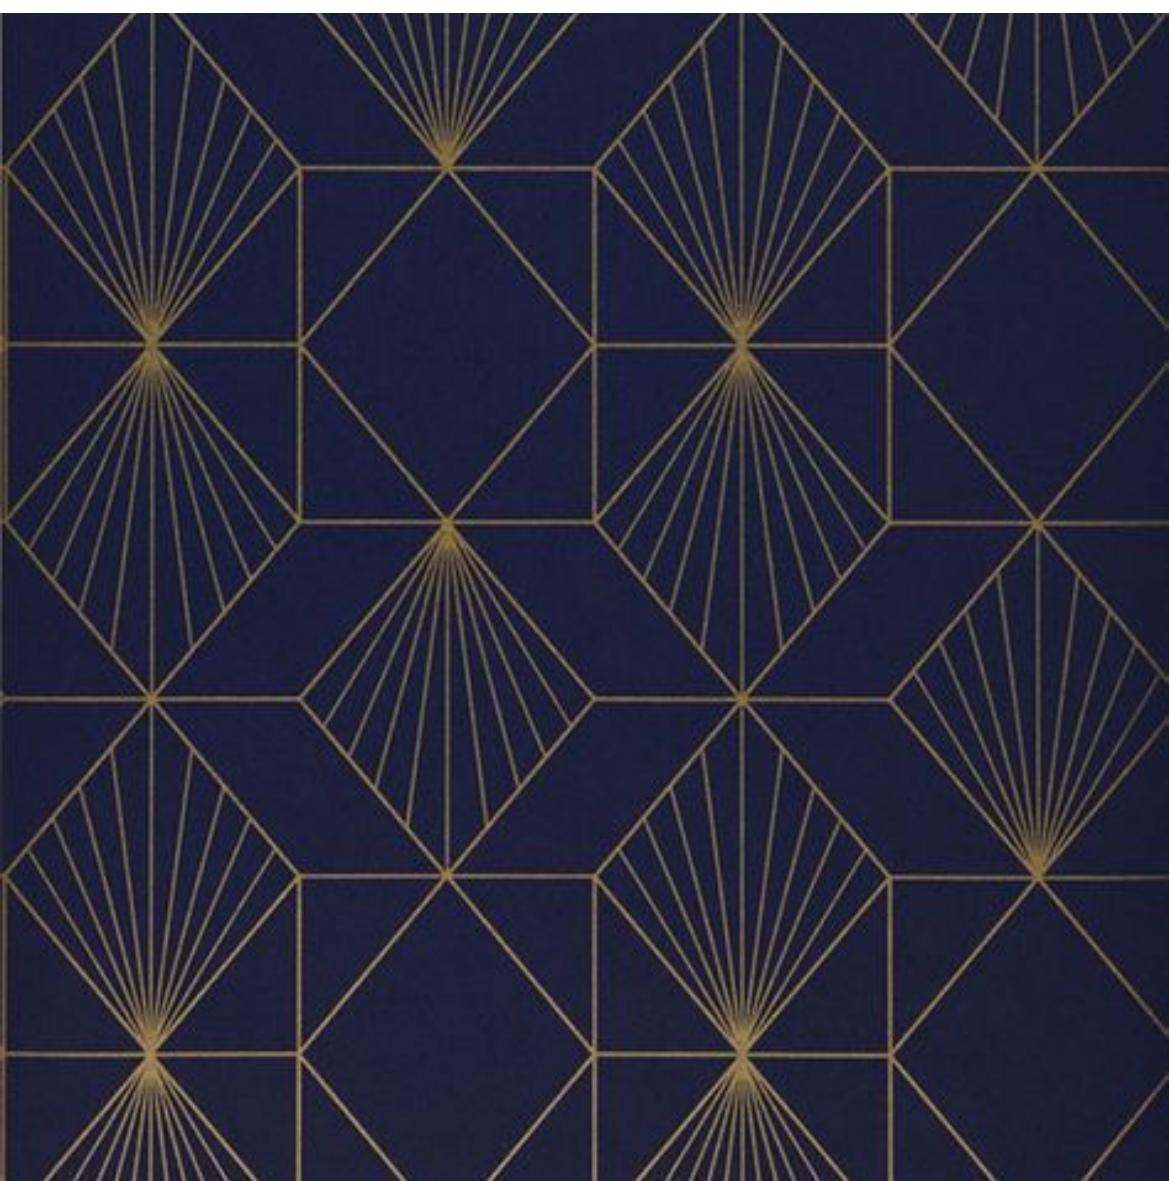

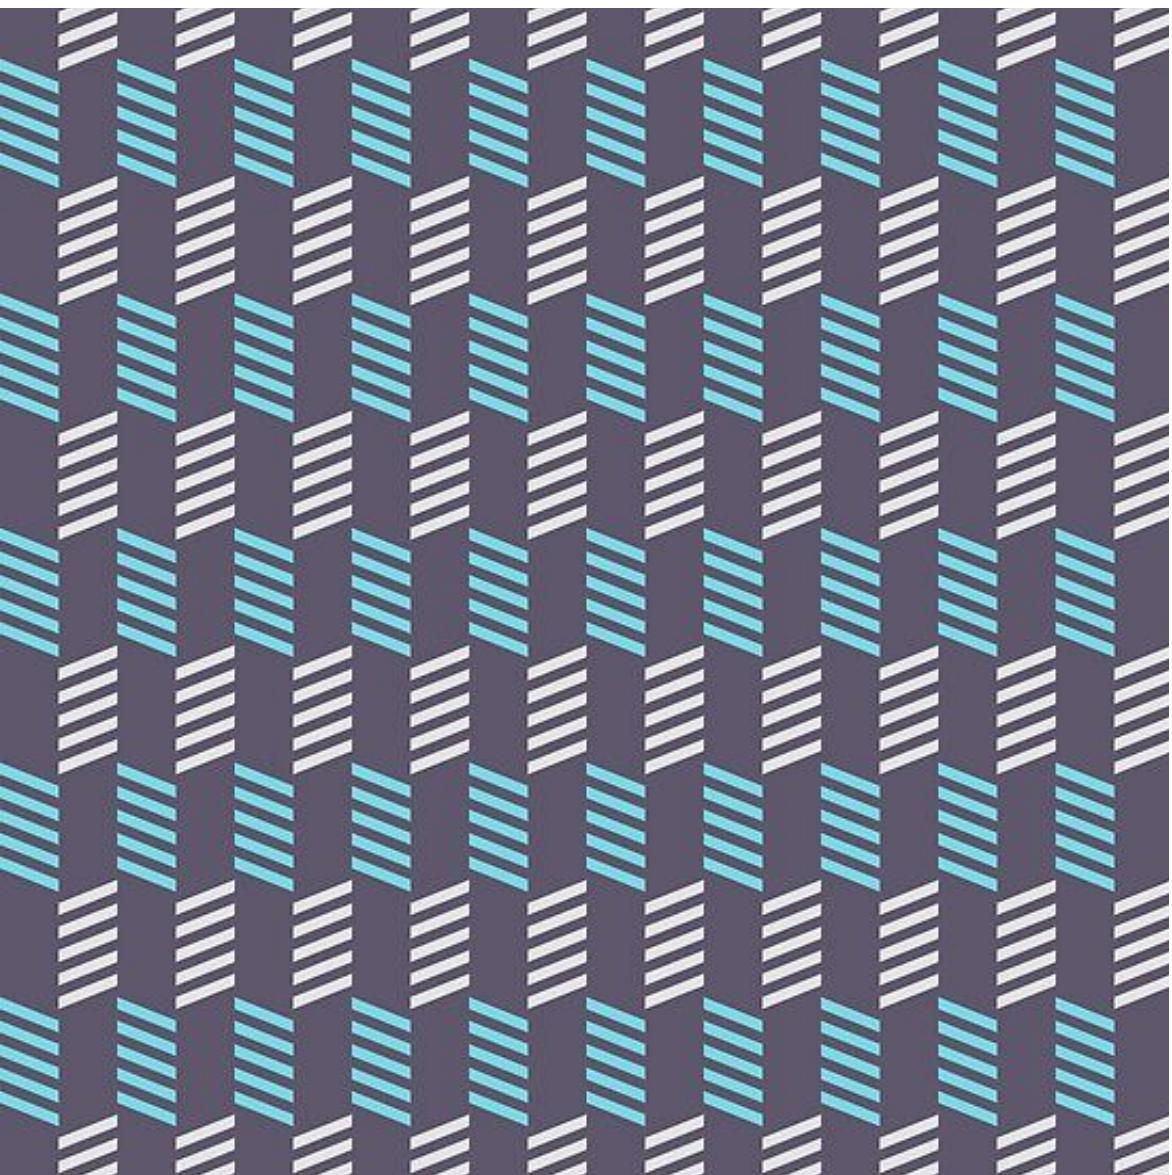

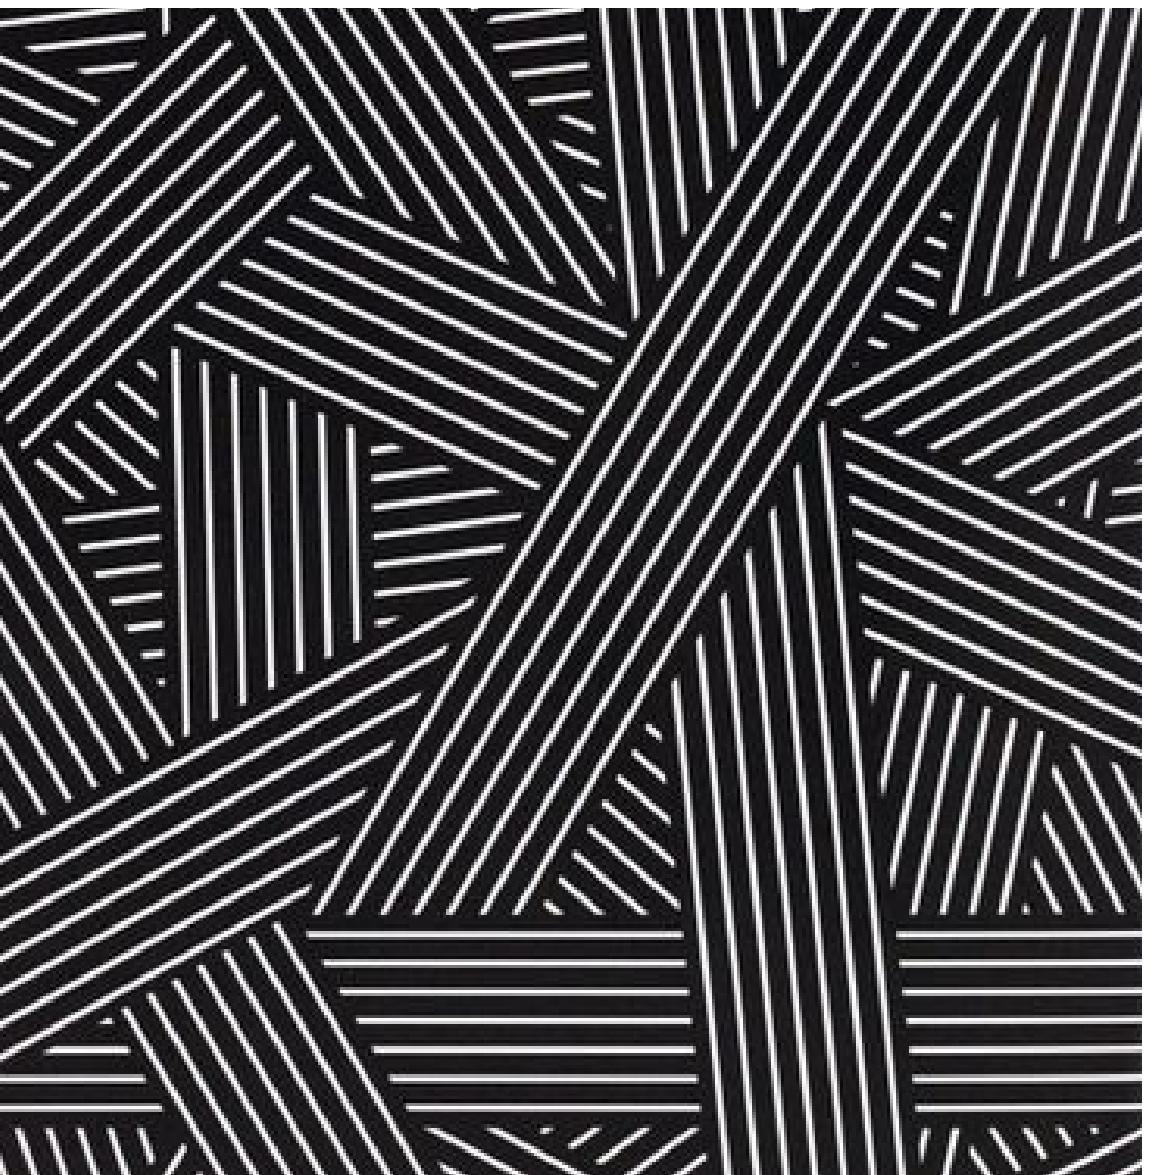

Vyber mu
pěkné
barvy.

A klidně
zkus
jen linie.

Dá se
s tím
fakt
hodně.

Zkus vykreslit nějaký tvar.

Zkus to hned několikrát.

Třeba v mřížce. A nebo náhodně?

Vyber mu barvu.

Zase náhodně? Nebo parametricky?

Že podle pozice? I velikost zní super!

Jo, klidně ať se překryjou.

A ted' zkus něco tweakovat.

Nebo to třeba překresli novým tvarem.

A nebo, opisuj od souseda! Jako vážně.

Nebo si jen nech od někoho poradit.

A ted' vy a geometrické tvary
